

Entrepreneurship Development Programme 2026

# EMPOWERING THE ENTREPRENEURIAL SPIRIT

IIT ROPAR - RESIDENTIAL BOOTCAMP 4.0

10-14 June 2026

IIT Ropar, Punjab

5 Days · 4 Nights Residential

Class 8 Onwards

**Residential Bootcamp for Entrepreneurship Development** – titled ‘Empowering the Entrepreneurial Spirit 2026’ – is an intensive, immersive programme designed to nurture the next generation of entrepreneurs by fostering an entrepreneurial mindset among school students in the northern and eastern regions of India.

## OBJECTIVE

*“Entrepreneurship (उद्यमशीलता) is not just a career choice – it is engraved in the DNA of Bharat. To become a catalyst in facilitating the emergence of competent first-generation entrepreneurs, identifying the young enthusiastic entrepreneurial minds that will set the goal for future developments.”*

## WHY YOU MUST ATTEND

Participants will engage with local entrepreneurs and innovators in a dynamic learning environment that fosters essential entrepreneurial skills and techniques.

Students from different states can network with peers, aspiring entrepreneurs, business owners, industry representatives, and officials.

With the residential training workshop, the aspiring students/entrepreneurs will get to experience an entrepreneurial environment.

Promote entrepreneurship through education, training, and applied research.

It will create future workforce to run entrepreneurial activities in school & region.

Participants will receive mentorship from industry experts to refine their business concepts through ERDC’s institutional partnerships.
